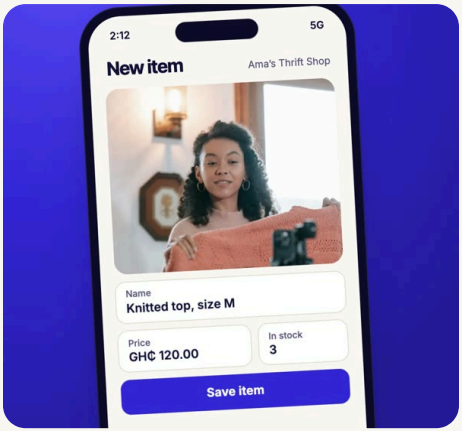
HOW IT WORKS FOR YOU

Post it. They pay. You get paid.



01

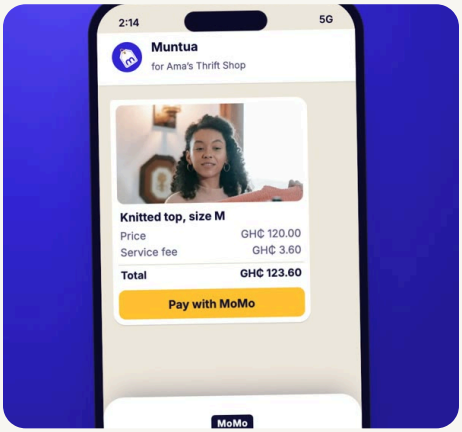
Add what you sell

A photo and a price. Each item gets its own link.

02

Share the link

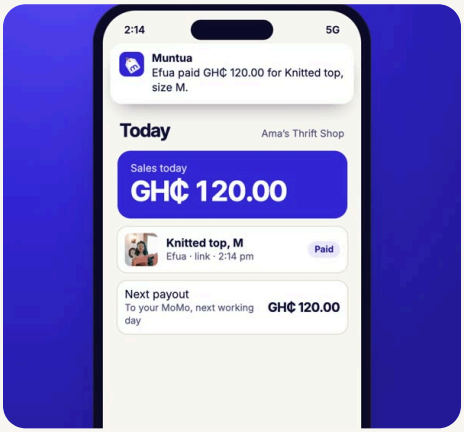
Send it in a chat, or post it on your status or Instagram.



03

They pay with MoMo

Your buyer taps Pay and approves on their phone.



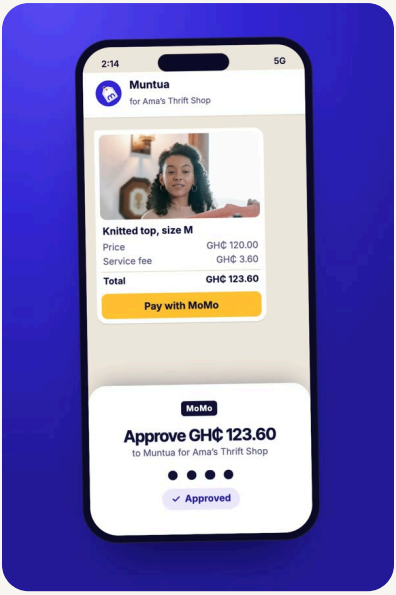
04

You get paid

The full price reaches your MoMo the next working day.

HOW YOUR BUYERS PAY

Three taps for your buyer.



1. **Tap your link**
   In your chat, your status or your shop page.

2. **Tap Pay with MoMo**
   They see the item, the price and a small service fee before paying.

3. **Approve on their phone**
   Nothing leaves their MoMo until they approve. Their receipt and delivery updates come on WhatsApp.

Your buyer pays the 3% fee, so you keep the full price.

Your price	GH₵ 120.00
Service fee (3%)	GH₵ 3.60
Buyer pays	**GH₵ 123.60**
You receive	GH₵ 120.00

Tip: post the short buyer video on your WhatsApp status, so your customers know what to expect before they pay.
